

11.28 Word writing: /th/ (unvoiced)

Ask the student to write the word using the sounds-spellings in the box, saying the sounds as they write them. Remind students that they can use the letters in the box more than once to complete all the words.

Note that the number of lines represent the number of sounds in the word, and that when a sound is spelt with two letters, the spelling should be written on one line.
