

The Swim

Beth went for a swim with Brad.
Beth can swim well.
Beth swims to the end.
The depth is 3.5m.
Brad swims a width.
That was not bad for him.

They swim with the children. Brad thinks
that they can swim well.

They swim fast.
Beth is fifth
but Brad is last.

Beth had to help Brad get to the end.
“Thanks Beth. Let’s go and get dressed.”

Then they went for a
hot drink with the
children.
