

## 10.35 Word search: /th/

Students have to find the following words in the word search by tracking through each line from left to right. Words only appear horizontally. When the two letters are in the same square, they are one sound. Remind students that sometimes we spell a sound with two letters. They are two letters, but it is one sound. Every time the student finds a word in the word search, ask them to say the sounds and read the word.
